 - (3) A building or any part of a building that is standing, even if it shows evidence of “spalling”, crumbling, settling, cracking, shifting, bulging, racking, sagging, bowing, bending, leaning, shrinkage or expansion; or
 - (4) The plumbing system, or any part of

the plumbing system, whether above or below the ground, when the plumbing system or any part of the plumbing system is:

- (a) Collapsed;
- (b) In danger of collapsing or caving in; or
- (c) Separated from another part of the system;
 - due to:
 - (a) Age, obsolescence, wear, tear;
 - (b) Fading, oxidation, weathering;
 - (c) Deterioration, decay, marring, delamination, crumbling, settling, cracking;
 - (d) Shifting, bulging, racking, sagging, bowing, bending, leaning;
 - (e) Shrinkage, expansion, contraction, bellying, corrosion; or
 - (f) Any other age or maintenance related issue.

However, this Additional Coverage – Collapse will apply to that part of a building’s plumbing system damaged by an abrupt collapse of a covered building, or abrupt collapse of any part of a covered building.

- d. We insure for direct physical loss to covered property involving abrupt collapse of a building or any part of a building if such collapse was caused by one or more of the following:
 - (1) The Perils Insured Against in **Coverage C – Personal Property**;
 - (2) Decay, of a building or any part of a building, that is hidden from view, unless the presence of such decay is known to an “insured” prior to collapse.
 - However, **d.(2)** above does not provide coverage for a plumbing system or any part of a plumbing system resulting from decay as described in Additional Coverage **8.c.(4)** above;
 - (3) Insect or vermin damage, to a building or any part of a building, that is hidden from view, unless the

- presence of such damage is known to an "insured" prior to collapse;
- (4) Weight of contents, equipment, animals or people;
 - (5) Weight of rain which collects on a roof; or
 - (6) Use of defective materials or methods in construction, remodeling or renovation if the collapse occurs during the course of the construction, remodeling or renovation.
- e. Loss to a:
- (1) Fence, awning, patio, deck, pavement;
 - (2) Swimming pool, underground pipe, flue, drain, cesspool;
 - (3) Foundation, retaining wall, bulkhead, pier, wharf, dock; or
 - (4) Cistern, plumbing system, or any part of a plumbing system, or similar structure;

whether above or below the ground, is not included under items **d.(2)** through **(6)** above; unless the loss is a direct result of the collapse of a building or any part of the building.

- f. This coverage does not increase the limit of liability applying to the damaged covered property.

For purposes of this Additional Coverage **E.8.**, a plumbing system includes a septic system.

9. Glass Or Safety Glazing Material

- a. We cover:
- (1) The breakage of glass or safety glazing material which is part of a covered building, storm door or storm window;
 - (2) The breakage of glass or safety glazing material which is part of a covered building, storm door or storm window when caused directly by earth movement; and
 - (3) The direct physical loss to covered property caused solely by the pieces, fragments or splinters of broken glass or safety glazing material which is part of a building, storm door or storm window.
- b. This coverage does not include loss:

- (1) To covered property which results because the glass or safety glazing material has been broken, except as provided in **a.(3)** above; or
- (2) On the "residence premises" if the dwelling has been "vacant" or "unoccupied" for more than 30 consecutive days immediately before the loss, except when the breakage results directly from Earth Movement as provided for in **a.(2)** above. A dwelling being constructed is not consider "vacant" or "unoccupied".

- c. This coverage does not increase the limit of liability that applies to the damaged property.

10. Landlord's Furnishings

We will pay up to \$2,500 for your appliances, carpeting and other household furnishings, in each apartment on the "residence premises" regularly rented or held for rental to others by an "insured", for loss caused by a Peril Insured Against in Coverage **C**, other than Theft.

This limit is the most we will pay in any one loss regardless of the number of appliances, carpeting or other household furnishings involved in the loss.

This coverage does not increase the limit of liability applying to the damaged property.

11. Ordinance Or Law

- a. You may use up to 10% of the limit of liability that applies to Coverage **A** for the increased costs you incur due to the enforcement of any ordinance or law which requires or regulates:
- (1) The construction, demolition, remodeling, renovation or repair of that part of a covered building or other structure damaged by a Peril Insured Against;
 - (2) The demolition and reconstruction of the undamaged part of a covered building or other structure, when that building or other structure must be totally demolished because of damage by a Peril Insured Against to another part of that covered building or other structure; or
 - (3) The remodeling, removal or replacement of the portion of the undamaged part of a covered

- building or other structure necessary to complete the remodeling, repair or replacement of that part of the covered building or other structure damaged by a Peril Insured Against.
- b. You may use all or part of this ordinance or law coverage to pay for the increased costs you incur to remove debris resulting from the construction, demolition, remodeling, renovation, repair or replacement of property as stated in **a.** above.
- c. We do not cover:
- (1) The loss in value to any covered building or other structure due to the requirements of any ordinance or law; or
 - (2) The costs to comply with any ordinance or law which requires any "insured" or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, pollutants in or on any covered building or other structure.

Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

This coverage is additional insurance.

12. Grave Markers

We will pay up to \$5,000 for grave markers, including mausoleums, on or away from the "residence premises" for loss caused by a Peril Insured Against under Coverage **C.**

This coverage does not increase the limits of liability that apply to the damaged covered property.

13. "Fungi", Wet Or Dry Rot, Or Bacteria

- a. We will pay up to \$10,000 for:
- (1) The total of all loss payable under Section **I** – Property Coverages caused by "fungi", wet or dry rot, or bacteria;
 - (2) The cost to remove "fungi", wet or dry rot, or bacteria from property covered under Section **I** – Property Coverages;
 - (3) The cost to tear out and replace any

part of the building or other covered property as needed to gain access to the "fungi", wet or dry rot, or bacteria; and

- (4) The cost of testing of air or property to confirm the absence, presence or level of "fungi", wet or dry rot, or bacteria, whether performed prior to, during or after removal, repair, restoration or replacement. The cost of such testing will be provided only to the extent that there is a reason to believe that there is the presence of "fungi", wet or dry rot, or bacteria.
- b. The coverage described in **a.** only applies when such loss or costs are a result of a Peril Insured Against that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at and after the time the Peril Insured Against occurred.
- c. \$10,000 is the most we will pay for the total of all loss or costs payable under this Additional Coverage regardless of the:
- (1) Number of locations insured; or
 - (2) Number of claims made.
- d. If there is covered loss or damage to covered property not caused, in whole or in part, by "fungi", wet or dry rot, or bacteria, loss payment will not be limited by the terms of this Additional Coverage, except to the extent that "fungi", wet or dry rot, or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Additional Coverage.

This coverage does not increase the limit of liability applying to the damaged covered property.

SECTION I – PERILS INSURED AGAINST

A. Coverage A – Dwelling And Coverage B – Other Structures

1. We insure against sudden and accidental direct physical loss to property described in Coverage **A** and **B.**
2. We do not insure, however, for loss:
 - a. Excluded under Section **I** – Exclusions;
 - b. Involving collapse including any of the following conditions of property or any

part of the property, whether above or below the ground:

except as provided in **E.8. Collapse** under Section I – Property Coverages; or

c. Caused by:

- (1) Freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance, or by discharge, leakage or overflow from within the system or appliance caused by freezing. This provision does not apply if you have used reasonable care to:

- (a) Maintain heat in the building; or

Shut off the water supply and drain all systems and appliances of water. However, if the building is protected by an automatic fire protective sprinkler system, you must use reasonable care to continue the water supply and maintain heat in the building for coverage to apply.

For purposes of this provision, a plumbing system or household appliance does not include a sump, sump pump or related equipment or a roof drain, gutter, downspout or similar fixtures or equipment;

- (2) Freezing, thawing, pressure or weight of water or ice, whether driven by wind or not, to a:
 - (a) Fence, pavement, patio or swimming pool;
 - (b) Footing, foundation, bulkhead, wall, or any other structure or device that supports all or part of a building, or other structure;

Theft or attempted theft and any ensuing loss caused by any intentional and wrongful act committed in the course of the theft or attempted theft, if the dwelling has been "vacant" or "unoccupied" for more than 30 consecutive days immediately before the loss. A dwelling being constructed is not considered "vacant" or "unoccupied";

- (4) Vandalism and malicious mischief, and any ensuing loss caused by any intentional and wrongful act committed in the course of the vandalism or malicious mischief, if the dwelling has been "vacant" or "unoccupied" for more than 30 consecutive days immediately before the loss. A dwelling being constructed is not considered "vacant" or "unoccupied"; or
- (5) Constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor that occurs over a period of 14 or more days, unless such seepage or leakage of water or steam or the presence or condensation of humidity, moisture, or vapor and the resulting damage is unknown to all "insureds" and is "hidden" within the walls or ceilings or beneath the floors or above the ceiling of a structure. In the event this exclusion applies, we will not pay for any damages sustained starting from the first day the constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor began.
- (6) Any of the following:
 - (a) Wear and tear, marring, deterioration;
 - (b) Mechanical breakdown, latent defect, inherent vice or any quality in property that causes it

to damage or destroy itself;

- (c) Smog, rust or other corrosion;

Exception To c.(6)

Unless the loss is otherwise excluded, we cover loss to property covered under Coverage A or B resulting from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises". This includes the cost to tear out and replace any part of a building, or other structure, on the "residence premises", but only when necessary to repair the system or appliance. However, such tear out and replacement coverage only applies if the water or steam causes actual damage to a covered building on the "residence premises".

However, we do not cover loss:

- (a) To the system or appliance from which this water or steam escaped;
- (b) On the "residence premises" caused by accidental discharge or overflow which occurs off the "residence premises";
- (c) To a plumbing system, whether above or below the ground, caused by:

- (e) Otherwise excluded or limited elsewhere in the Policy.

For purposes of this provision, a plumbing system or household appliance does not include a sump, sump pump or related equipment or a roof drain, gutter, downspout or similar fixtures or equipment.

- (7) Dropped objects to the interior of a building unless the roof or an outside wall of the building is first damaged by a dropped object. Damage to the dropped object itself is not covered.
- (8) Rain, snow, sleet, sand or dust to the interior of a building unless a covered

peril first damages the building causing an opening in a roof or outside wall, door or window and the rain, snow, sleet, sand or dust enters through the opening. This exclusion applies unless the damage is caused during a "hurricane occurrence" or "tropical storm occurrence."

Section I – Exclusion **A.3. Water**, Paragraphs **a.** and **c.** that apply to surface water and water below the surface of the ground do not apply to loss by water covered under **c.(5)** and **(6)** above.

Under **2.b.** and **c.** above, any ensuing loss to property described in Coverages **A** and **B** not precluded by any other provision in this policy is covered

Catastrophic Ground Cover Collapse.

1. We insure for direct physical loss to the "principal building" under Coverage **A** caused by the peril of "catastrophic ground cover collapse".

Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a "catastrophic ground cover collapse".

2. Direct physical loss from "catastrophic ground cover collapse" does not apply to the costs to repair the depression or hole, or stabilize the land on the residence premises.

If we at our option repair the "principal building" under Coverage **A** for direct physical loss resulting from the peril of "catastrophic ground cover collapse", we will stabilize the "principal building's" land in accordance with our professional engineers recommended repairs.

3. This peril does not increase the limit of liability that applies to the damaged property.

We do not cover loss caused by or resulting from freezing under this peril.

14. Freezing

a. This peril means freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance, but only if you have used reasonable care to:

(1) Maintain heat in the building; or

- (2) Shut off the water supply and drain all systems and appliances of water.

However, if the building is protected by an automatic fire protective sprinkler system, you must use reasonable care to continue the water supply and maintain heat in the building for coverage to apply.

- b. In this peril, a plumbing system or household appliance does not include a sump, sump pump or related equipment or a roof drain, gutter, downspout or similar fixtures or equipment.

“Reopened claim” means a claim that we have previously closed, but that has been reopened upon an insured’s request for additional costs for loss or damage previously disclosed to us. “Supplemental claim” means a claim for additional loss or damage from the same peril which we previously adjusted or for which costs have been incurred while completing repairs or replacement pursuant to an open claim for which timely notice was previously provided to us.

 - (1) The limit of liability under this policy that applies to the building;

- b. If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately before the loss, we will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:
 - (1) The “actual cash value” of that part of the building damaged; or

We will then pay any remaining amounts necessary to perform the actual repair or replacement as work is performed and expenses are incurred subject to **D.2.a** and **D.2.b**. If a total loss occurs, we will pay the full replacement cost without reservation or holdback of any depreciation in value.
- e. You may disregard the replacement cost loss settlement provisions and make claim under this policy for loss to buildings on an “actual cash value” basis. You may then make claim for any additional liability according to the provisions of this Condition **D**. Loss Settlement, provided you notify us, within 180 days after the date of loss, of your intent to repair or replace the damaged building.
- f. If the dwelling where loss or damage occurs has been “vacant” or “unoccupied” for more than 30 consecutive days before the loss or damage, we will:

1. Repair or replace any part to restore the pair or set to its value before the loss; or
 2. Pay the difference between “actual cash value” of the property before and after the loss.
- F. Mediation or Appraisal**
1. If you and we are engaged in a dispute regarding a claim under this Policy, prior to filing suit, you must notify us of your disagreement in writing so that either party may request a mediation of the claim in accordance with the rules established by the Florida Department of Financial Services. For the purposes of mediation, the term “claim” refers to any dispute between an insurer and a policyholder relating to a material issue of fact other than a dispute:
 - a. With respect to which the insurer has a reasonable basis to suspect fraud;
 - b. Where, based on agreed-upon facts as to the cause of loss, there is no coverage under the policy;
 - c. With respect to which the insurer has a reasonable basis to believe that the policyholder has intentionally made a material misrepresentation of fact which is relevant to the claim, and the entire request for payment of a loss has been denied on the basis of the material misrepresentation; or
 - d. With respect to which the amount of controversy is less than \$500, unless the parties agree to mediate a dispute involving a lesser amount.

The settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement and, you have not rescinded the settlement within 3 business days after

reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you. We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the costs for that rescheduled conference. However, if we fail to appear at a mediation conference, we will pay your actual cash expenses you incurred in attending the conference if our failure to attend was not due to a good cause acceptable to the Department of Financial Services, and also pay the fee for a rescheduled conference.

2. If you and we fail to agree on the amount of the loss, either party may request an appraisal of the loss. Both parties must agree to the appraisal process. In this event, each party will choose a competent and impartial independent appraiser within twenty (20) days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within fifteen (15) days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.

Each party will:

- a. Pay its own appraiser; and
- b. Bear the other expenses of the appraiser and umpire equally.

G. Other Insurance And Service Agreement

If a loss covered by this policy is also covered by:

1. Other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss; or
2. A service agreement, this insurance is excess over any amounts payable under any such agreement. Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized as insurance.

H. Legal Action Against Us

1. No action can be brought against us, unless:
 - a. Notice of the loss has been given to us;
 - b. There has been full compliance with all of the terms of the Policy applicable to the "insured";

Condition H.1. above is not applicable to an "assignee".

2. Suit By an "Assignee"

- a. An "assignee" must provide us with a written notice of intent to initiate litigation before filing suit under this Policy.
 - (1) Such notice must be served by certified mail, return receipt requested, or electronic delivery, at least ten (10) business days before filing suit, but may not be served before we have made a coverage determination and pay or deny your claim in accordance with CONDITIONS, Condition J. Loss Payment, paragraph J.3.
 - (2) The notice must specify the damages in dispute, the amount claimed, and a presuit settlement demand.
 - (3) Concurrent with any written notice of intent to initiate litigation, and as a precondition to filing suit, an "assignee" must provide us a detailed written invoice or estimate of services, including itemized information on equipment, materials, and supplies; the number of labor hours; and, in the case of work performed, proof that the work has been performed in accordance with accepted industry standards.

b. As a condition precedent to filing a suit under the Policy, and if required by us, an “assignee” must submit to examinations under oath and recorded statements conducted by us or our representative that are reasonably necessary, at the location insured, or other reasonable location designated by us or our representative, while not in the presence of another employee of the “assignee”, or any other “assignee”, or any “insured”.

(1) Provide government issued photo identification. If you do not possess government issued photo identification, a signed sworn statement identifying who you are may be provided; and

(2) Sign any transcript of the examinations under oath and recorded statements.

Such examinations and recorded statements must either be in-person or utilize video and audio technology, or both, as determined by us; and

Examinations under oath and recorded statements must be based upon the scope of the work and complexity of the claim and limited to matters related to the services provided, the cost of the services and the “assignment agreement”.

c. No action can be brought against us unless the action is started within five (5) years after the date of the loss.

I. Our Option

At our option, in lieu of issuing any loss payment, if we choose to exercise our option:

1. For losses settled on an “actual cash value” basis, we may repair or replace any part of the damaged property with material or property of like kind and quality.

9. You are responsible for payment of the deductible stated in your Declaration page.
10. Our right to repair or replace, and our decision to do so, is a material part of this contract and under no circumstances relieves you or us of our mutual duties and obligations under this contract. Any contract entered into between you and any repairperson(s), “assignee”, contractor, other person or company to perform repairs or services except reasonable emergency measures for any loss attributed to a covered peril shall not interfere with this right.

J. Loss Payment

We will adjust all losses with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment. Loss will be payable upon the earliest of the following:

 - b. There is a filing of a mediation settlement with us.
3. Within 90 days of receiving notice of an initial, reopened, or supplemental property insurance claim from you, we shall pay or deny such claim or portions of such claim, unless there are circumstances beyond our control that would reasonably prevent such payment.

Our failure to comply with this paragraph shall not form the sole basis for an action against us.

In the event of your death, we will adjust all losses

with your legal representative.

K. Abandonment Of Property

We need not accept any property abandoned by an "insured".

L. Mortgage Clause

1. If a mortgagee is named in this policy, any loss payable under Coverage **A** or **B** will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgagee.

 - a. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
 - b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.
5. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.
6. We provide coverage to no mortgagee or its representatives under this policy if, whether before or after a loss, a mortgagee or its representatives has:
 - a. Intentionally concealed or

misrepresented any material fact or circumstance;

O. Recovered Property

If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. However, we will not deny a claim or cancel or terminate the policy based on credit information available in public records, whether disclosed or undisclosed, if the policy has been in effect for more than 90 days.

S. Loss Payable Clause

If the Declarations shows a loss payee for certain listed insured personal property, the definition of "insured" is changed to include that loss payee with respect to that property only.

Pursuant to Florida law, if any or all of your post-loss Policy benefits are assigned to another party under an "assignment agreement", the following duties, in **E.1.** through **E.4.**, apply to the "assignee". We are not obligated to provide coverage under this policy to an "assignee" if the "assignee" fails to perform these duties. In a claim arising under an "assignment agreement", an "assignee" has the burden to demonstrate that we are not prejudiced by the "assignee's" failure to:

1. Maintain records of all services provided under the "assignment agreement".
2. Cooperate with us in the claim investigation.
