

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **SECURE HOME ENDORSEMENT**

The following **DEFINITION** is added:

“Protective Devices” are devices, listed in the Declarations, that may include:

- a. Connected fire alarms;
- b. Professionally monitored fire alarms;
- c. Connected and professionally monitored fire alarms;
- d. Connected burglar alarms;
- e. Professionally monitored burglar alarms;
- f. Connected and professionally monitored burglar alarms;
- g. Automatic sprinkler systems;
- h. Connected gas leakage detector;
- i. Connected generator;
- j. Connected thermostat;
- k. Connected video doorbell;
- l. Connected water sensor with automatic shut-off; or
- m. Connected water sensor without automatic shut-off.

Connected” Protective Devices” must be connected by broadband, wireless, cellular, or other technology and must be enabled to alert the insured by email, text message, dedicated application, or other means.

In exchange for a premium credit, you agree to:

- a. maintain all “Protective Devices” in complete working order;
- b. maintain the connection between the device and a central station or monitoring if the “Protective Device(s)” listed on your Declarations include(s) a connected or professionally monitored device; and
- c. notify us if you know of any suspension of, removal of, change in, or impairment in any “Protective Device” listed in the Declarations.

All other provisions of the policy apply.
